

## **Child Friendly Version of the Safeguarding Policy for Wentworth Primary School.**

*(Wentworth has a safeguarding policy for staff, families and governors. This version is for children and should be read as a guide to the main policy).*

Q: What is this for?

A: To help you decide what is a problem and where to get help and support.

# The adults at Wentworth are here to help you, if you are worried about anything!

Sometimes people treat us in a way that makes us feel scared or hurt. It is important to tell an adult when we are scared or hurt.

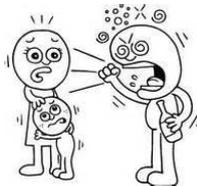

Some of the things that may be making us frightened or upset are:

When someone (including adults) hits, kicks, pushes, bites, burns or hurts you or someone else.

When someone touches you in a way you don't want them to, or if they ask you to touch them. It may be touching your private parts or making you watch things you don't like.

When someone says bad things to you, bullies you or threatens you or someone else.

When the people who are supposed to care for you do not look after you - if they do not give you enough food or don't let you sleep when you are tired, or if they do not keep you warm or clean or take you to the doctor if you are unwell.

# Where can things go wrong for me?

It could happen anywhere:

- In the street

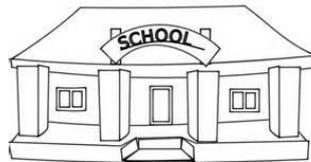

- At home

- At a friend's house

- At school

- Somewhere you spend your free time

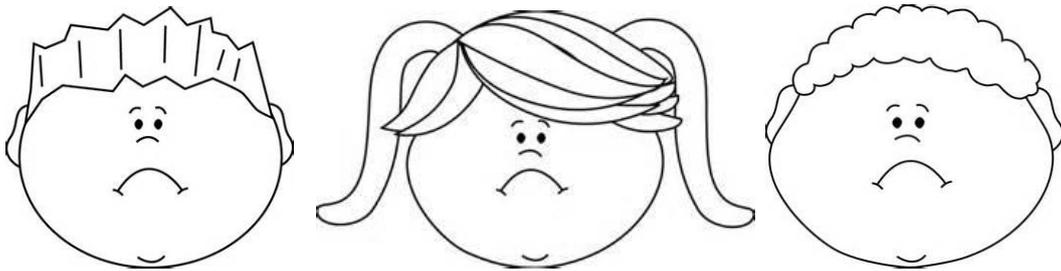

- On your computer or mobile phone

It could be at a childminders house, or at a club or group, it could happen at church or at a family member's house.

It could happen anywhere, but if you tell an adult you trust, they will be able to help you.

Someone hurting you is ALWAYS wrong!

You being hurt is NOT your fault.

**If you are feeling worried or are being hurt you need to tell an adult you trust, even if you have been told not to tell anyone.**

These are some people it is okay to tell:

- Someone in your family you trust
- A family friend you trust
- An adult at school
- A doctor or nurse
- A police officer

If you tell someone and they do not help you, **it is important to tell someone else!**

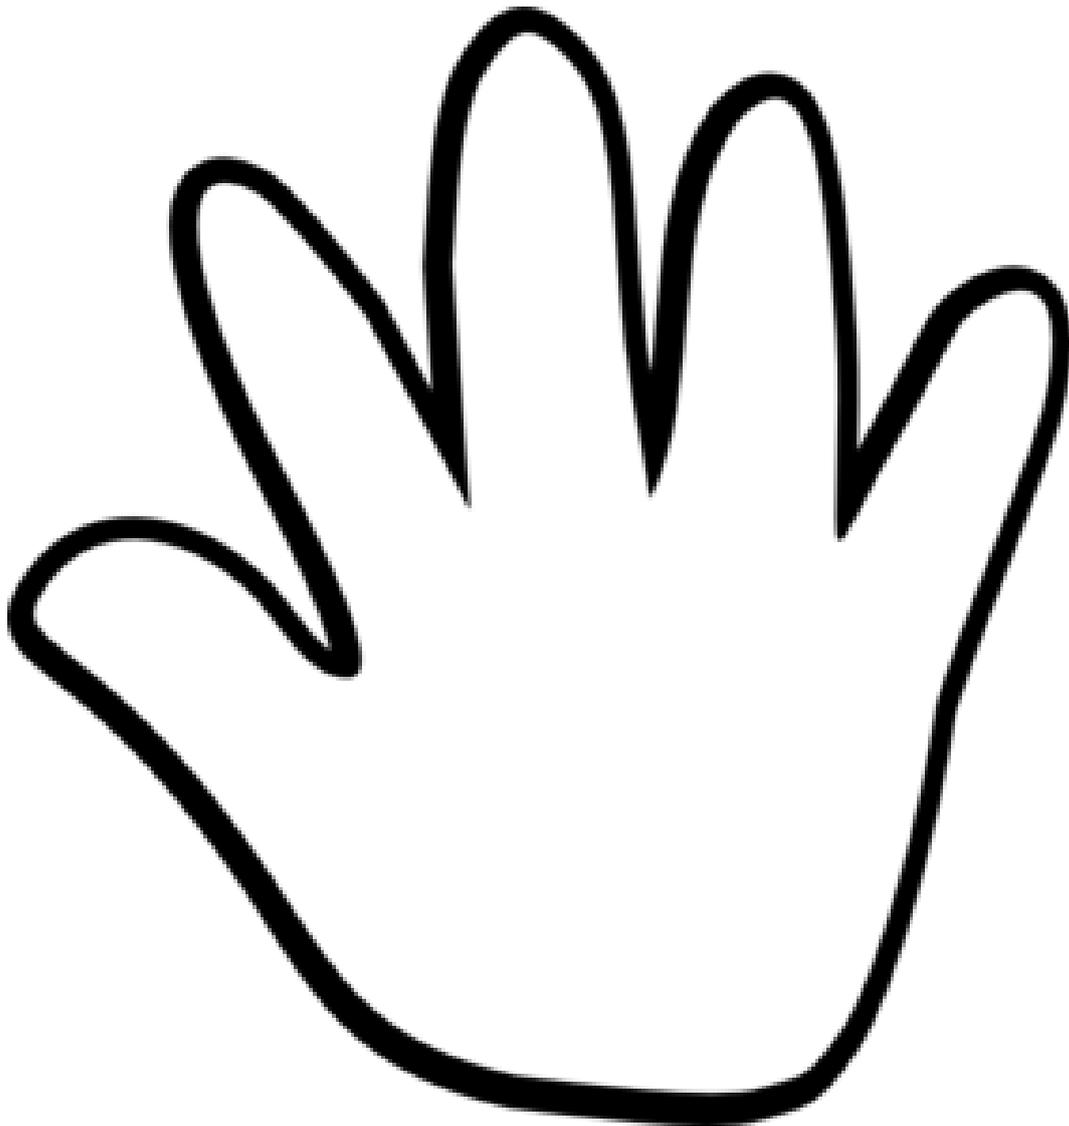

You can also contact **Childline**  
**Anytime!**

- these are safe adults too!

**Q: Who can I talk to at school if I am worried or being hurt?**

Can you think of a different adult at school you trust and you could talk to for each finger on this hand?

## Q: How does Wentworth protect children?

A: There are lots of different ways, but the main way is making sure the staff know how to keep you safe and make sure you have someone to talk to if you need to.

Mrs Randall

Mr Langridge

Mr Pollock

Mrs

These adults in school have all had special training that means they know lots of different ways to help you if there is a problem, but ALL the adults in school know what to do if you tell them your worries. Mrs Randall is in charge of this team, and keeping children safe at Wentworth

Safeguarding and child protection mean the same thing and it means that we have a duty to keep you safe and look after you. It is THE most important thing that we do at school.

## What happens after I tell an adult I trust?

After you have talked to an adult you trust, they will have to tell Mrs Randall or one of her team what you have said to make sure you stay safe, they are not allowed to keep secrets.

Sometimes Mrs Randall and her team might have to ask special people how they can keep you safe and sometimes these people will ask that we involve other agencies too who have a lot of experience supporting children in tricky situations.

Only the people that NEED to know to keep you safe will know about your worries. Mrs Randall and her team would NEVER tell everyone all about what is happening to you (not even the teachers), so you don't need to worry about everyone finding out.

The adults in school will be able to answer any further questions that you have about how to keep yourself at home and at school.

Policy written May 2018 – by Tracey Reilly (DSL)

Updated March 2021 – by Kirsty Randall (DSL)
